Subject: Acceptable Use Policy (AUP)

Draft: 2020-11-13

Purpose

The purpose of this policy is to outline expectations for the safe and acceptable use of technology for Zoo School students to ensure their wellbeing and those they interact with through virtual platforms and also to establish recourse for any misuse.

Procedure

Training and Policy Awareness	<p>All Zoo School staff and students are to be aware of this policy in conjunction with the Safe and Accepting Schools Policy and follow any procedures mentioned.</p> <p>Zoo School students will be made aware of and provided with a copy of this policy on the first day of Zoo School.</p> <p>Parents will have access to this policy and the Safe and Accepting Schools policy on the Zoo School website.</p>
Scope	<p>Zoo School students will exclusively use their own computer hardware and will not have access to the Toronto Zoo's network. WiFi access may be made available to students who are onsite at the Zoo; any use of the Zoo's WiFi is subject to the conditions in this policy. It should note that Zoo School reserves the right to record any online sessions.</p> <p>The Toronto Zoo is not responsible for:</p> <ul style="list-style-type: none">• Any content accessed by our students that was not created, published, or authored by the Toronto Zoo.• Any costs incurred by the students on their personal devices.• The reliability of the Toronto Zoo's information technology resources (i.e. service interruptions), nor the reliability of third party resources or services (e.g. Google Classroom).• Any information that might be lost or made unavailable due to technical or other difficulties.
Student Responsibility	<p>Within their enrolled time at Zoo School, students are expected to demonstrate ethical behaviours online that also demonstrate consideration for their classmates. Students will also immediately report to the teacher or school principal any infractions related to this policy. Students should ensure their</p>
